

How to get a discount on the Article Processing Charge (APC) as a member of an affiliated society?

In the last step of the submission process, the tab below appears. In the drop down menu, you can search and select your affiliated society. Please note that societies get an APC reduction for affiliated journals only. It is important to choose the affiliated journal in step 1 of your submission. Otherwise the society will not appear on the drop down menu.

Submission Completed - Additional Options

- Your manuscript (**Manuscript ID: nutrients-327798**) has been successfully submitted. It can no longer be edited.
- See [Display Submitted Manuscripts](#) to view the current status of your submission.

Institutional Open Access Program

Selected institutions and societies have individual agreements with MDPI to offer their members discounts on article processing charges. Please click on the drop-down box to check if your institution or society is part of this program.

Nutrition Society of New Zealand (NSNZ)

Australia
Asia Pacific [Nutrigenomics](#) [Nutrigenetics](#) Organisation (APNNO)
[Nutrition Society of Australia](#) (NSA)

Italy
Italian Society for Pediatric [Nutrition](#) and Gastroenterology (SIGENP)

New Zealand
[Nutrition Society of New Zealand](#) (NSNZ)

Slovenia
[Nutrition Institute, Ljubljana](#) (NUTRIS - Institut za nutricionistiko)

Once you select your society, a new tab appears where you can enter the discount code and click “confirm”. If you do not yet have a code, please contact your society.
